Kent Health Plan Corporation is a non-profit, 501(c)(3) organization that was formed in May 2001. Its purpose is to develop innovative programs that improve access to healthcare for thousands of low-income people in Kent County without health insurance. Kent Health Plan (KHP) currently offers:

- [Plan A](#) is the Adult Benefits Waiver (ABW) program serving people with incomes of less than \$304* per month. Some organizations refer to this program as the Adult Medical Program (AMP).
- [Plan B](#) is for individuals whose incomes are 150% or less of poverty and who are not eligible for any government sponsored healthcare program.
- [Plan C](#) is an affordable healthcare option for small businesses with up to 50 low-wage employees.
- [Medication Assistance Program](#) provides coordinated access to prescription medications for Kent County residents whose incomes are 200% or less of poverty and who are not eligible for any government sponsored prescription program.
